

You and your driving-age child are invited to a **free special event.**

Lakeview Center's Driver Education Program is hosting a one and one half hour classroom seminar with a certified instructor and a member of the judiciary or law enforcement to empower families for the first driver license.

The event will feature information on:

- Driving facts and statistics
- Alcohol and other drugs
- DUI law in Florida
- Florida's graduated driver license process
- How special events can be special
- A contract for life
- Judicial/law enforcement message

Please call to schedule your participation today.
